HOW IT WORKS

STEP 1: Measure your room and make a rough sketch showing services and doors.

STEP 2: Visit our store and select the correct carcasses to fit into your project.

STEP 3: Choose your colour of cupboard doors and worktops from our high quality range - and don't forget accessories.

STEP 4: Save time and effort by letting us pre-cut, edge and drill holes in the doors, so all you have to do is install them.

STEP 5: Allow us to deliver your units at competitive rates.

STEP 6: You can do the installation yourself or let us recommend a professional.
